Jade 24/l Combi

The wonderfully styled, ivory white Jade comprises three models, as combi or as canopy with K or T stand. The full range is available with various lamp varieties. The Strip Reflector System (SRS) behind the lamps ensures optimum tanning results.

If desired, the Jade may be equipped with the optional bodycooler. The analogue timer is easy to operate and is always within easy reach.

The combi offers a conveniently high instep and ideal reclining comfort. The high-quality gas-spring system in the T stand ensures easy pulling in and pushing away of the canopy. The K stand is operated by a simpler gas-spring hinge system. Not the least of the many advantages of the Jade is its ease of installation.

- (3, 4) The convenient click-strip system and the acrylate hopper included, the acrylate plate is easily removed from its housing, in order to clean it.
- 5. In its practical storage place, the acrylate hopper is always within easy reach.

Jade Cambi

The warmth of the first rays of sunshine. The fog is lifting. A light breeze is blowing. Slowly, the days are getting longer. The bleak winter months lie behind us now.

The Jade has taken on a wonderful new appearance. A top-class sunbed, which guarantees absolute comfort and enjoyment. These are ensured by its sophisticated design and the high-quality materials used. Modern forms and a fashionable use of colours make sure that the Jade will pleasantly match any home environment.

Jade K

Easy to operate by means of high-quality gas-spring system.

Jade T

Ultimately space-saving: the canopy is easily turned towards a wall by means of the ingenious, double-tilting stand. At the same time, it offers flexibility in height adjustment.

Jade Combi

Tanning tunnel for an even, all-over tan.
